OR email to: rain@usc-canada.org

Note: For new Wills, we recommend leaving bequests to "the USC Foundation's Lotta Hitschmanova Legacy Fund."

There is no problem, however, if **an existing Will** already provides for a bequest to "the Unitarian Service Committee of Canada," "USC Canada" or "the USC Foundation."

Bequests will all be deposited in the Lotta Hitschmanova Legacy Fund and carefully managed by the USC Foundation, which is accountable to USC Canada.

Optional: If you wish, you may enclose a copy of the pertinent section of your Will. We will retain this in our confidential file as a record of your intentions.

Thank you for being part of Dr. Lotta's Legacy.

If you are considering a bequest, we at USC strongly encourage you to consult an independent financial advisor or lawyer to be sure that provisions are made for your own care, as well as for your loved ones.
