## African Farmers and Climate Change

Learn how African farmers and rural communities are coping with the impacts of climate change – a problem that we have helped create. What solutions can Africans offer, and how can Canadians help?

**Tuesday December 4**

**7 - 9 pm**

**Bronson Centre**

**211 Bronson Ave (at Lisgar), Ottawa**

### Speakers:

**Mamby Fofana, Mali**

Swedish SIDA; former director of USC's Seeds of Survival program

**Joshua Mukusya, Kenya**

Founder and Executive Officer of Excellent Development

**Rachel Bezner-Kerr Ph.D, Canada**

Researcher; Soils, Foods and Healthy Communities, Malawi Project
