

### Name That Seed – Ballot

For each seed sample shown in the display (A,B,C,D,E,F) guess which food it grows? Take a look at the pictures at the front of the display, then fill out your ballot below.

For each seed, put an “X” in the column of the food you think it grows.

Answers and winners will be announced by email.

Seed	Wheat	Sorghum	Tomato	Lettuce	Soybean (tofu)	Canola
A						
B						
C						
D						
E						
F
